

STALLIONS and PROFESSIONALS
A FREEDOM TO FRIENDSHIP COMPETITION

KHH STALLION CHALLENGE FREESTYLE CLASS RULES

This class is a 4-minute freestyle. It can be presented in-hand, ridden or at liberty, using a range of props. While the freestyle can repeat things you have already displayed in the Handling & Condition and Obstacle classes, it is hoped you will utilise this time to showcase your horse's individual strengths, which may not have been able to be displayed in the format of the previous classes.

EQUIFEST COMPETITORS

Trainers will be given time to add props to the arena immediately before your time slot. Extra points will be awarded to all competitors to allow for the environmental difference from video submissions.

VIDEO REQUIREMENTS

You must submit a video no longer than 4-minutes. Limited editing is allowed, with NO more than x3 clips edited together (with the shortest clip being no shorter than 1 minute). This editing is allowed to ensure you can go to new locations to showcase your horses diverse range of skills gained (ie visiting an arena, cross country course, beach or forest etc). Please note: Any footage in excess of 4-minutes will be edited out, before being presented to the judges, and you will not be marked for it.

JUDGING CRITERIA

See the Judging Criteria on the next page to see what you will be judged on. Some maneuvers are compulsory and not showing them in your presentation will mean you miss out on significant marks.

PLEASE ALSO NOTE THAT COSTUMES AND MUSIC ARE NO LONGER COMPULSORY AND PREVIOUS MARKS ALLOCATED TO THESE HAVE BEEN REDISTRIBUTED.

THE COMPULSORY MANEUVERS MUST INCLUDE:

Halt

Show a downward transition to halt and stand for at least 6 seconds, can be ridden, in-hand or at liberty, and open to interpretation about what you do while halted, or at which speed you do the downward transition into halt)

Walk

Show for at least 20 seconds, on a straight line or circle, can be ridden, in-hand or at liberty, and open to interpretation about what you do at the walk)

Trot

Show for at least 20 seconds, on a straight line or circle, can be ridden, in-hand or at liberty, and open to interpretation about what you do at the trot)

Body Control

Examples include hindquarter/shoulder yields/side-pass (at least 10 seconds, can be ridden, in-hand or at liberty)

There will be 10 judging criteria in which you will receive a score of 0-5, giving you a potential score of 50.
