Number of Horses Applied For:	

We confirm and understand the following:

- a) Cattle yard and multiple paddock grazing are available for the Wild Horse/s. The horse/s do not need to be handled or have halters on before they can be let into a paddock.
- b) There is no limitation on time frame before the horse/s needs to be moved from the yards/paddocks from the above specified property. If however, circumstances change for the yard owner, then a minimum of one month notice would be required for the removal of horse/s".
- c) The wild horse must not be left on its own at any point.
- d) If concerns are raised prior to final home check and KHH would like to conduct a welfare check, the yard and horse owners agree to 24 hours-notice for a KHH representative to enter the above mentioned property.
- e) The horse/s must not be interacted with or handled without the horse owner's consent.
- f) Where there is a dispute between the yard owner and horse owner that cannot be resolved, KHH are to be made aware so that they can remove the horse/s.

Declaration:

I _____ declare that the above information is true and correct.
